RE: Rowe v. Valliere
Case #: 1:04-cv-11917 - *wiY*

To whom it may Concern:

I appeared before Judge Young on 11/16/04 in a motion session on the Rowe v. Valliere case. At that time the Judge declined to issue sanctions requested by the defendant, and transferred the case to Nantucket Superior Court. The courts subsequent written order entered 11/17/04 did not reflect that the Motion for Sanctions was denied. I believe an amended order is necessary to properly reflect the ruling of the court.

Sincerely,

Paul A. Gargano
